REPORT NO.

- 25X1A2g
1. Extensives inquiries in Peronista political circles and a review of the files of the Peronista daily Democracia have failed to reveal that Aurelio Rita, Fernando Panetti and Rodolfo Barreyro, at present in Bolivia claiming to be Argentine senators [REDACTED], are members of the Argentine national senate.
 2. Rita is a provincial senator in the legislature of the Province of Buenos Aires and was elected to that post on the Peronista ticket in the March 1948 elections. He had not served in either the national or provincial legislature before that time. He is said to be a man of little intelligence and small influence in the Peronista Party.
- 25X1X6
3. [REDACTED] unable to obtain any information of Panetti or Rodolfo Barreyro who claimed to be the Secretary General of the Peronista bloc.
